SIR

In continuation of this office letter No 3413/181 dated 2nd November 1900, and with reference to the furlough applied for by Mr. Weir, I beg to propose the following arrangements which I recommend to Government for sanction

(1) That Mr. J Dentan M A, Professor of History acts as Principal during Mr. Weir's absence

(2) That Mr. G Kasturi Rangaiengar be relieved of all work in English and a part of the Sanskrit Translation and act as Professor of Mathematics

(3) That Mr. T R Ramadhyar BA L T be appointed Acting Lecturer to teach English and Sanskrit Translation during the absence of Mr. Weir

3 I recommend that an allowance of Rs 100 a month may be granted to Mr Denham during the period he acts as Principal - As acting Principal Mr Denham is entitled to a free house I recommend therefore that he may be excused during the acting period the rent of the Government house he is now occupying, or if that can not be done that the monthly allowance may be raised from Rs 100 to 150

4 I recommend that an allowance of Rs 50 may be sanctioned for Mr. G Kasturi Rangarengar during the period he acts as Professor of Mathematics.

5 Mr T R Ramanadha Iyer B A, 27 was on a former occasion employed temporarily on Rs 250 a month - The same pay may be sanctioned for him now

I have the honour to be,
Sir,
Your most obedient servant,

H J Bhabha
Inspector General.

SIR

With reference to Order No 8176-7/279 dated 17th December 1900, I have the honour to inform you that the acting arrangements stated in my letter No 3943/181 dated 2nd November 1900 were those which the Principal of the Maharaja's College himself had proposed in the exercise of the powers of patronage given to him by Order No 24799-802/6289 dated 28th June 1895 (vide clause (b) para 5 of the order). My own views regarding the acting arrangements were different with the exception of the acting appointment of Mr T Denham as Principal. I now state my proposals after consulting Mr Denham and request that Government may be pleased to sanction them at their earliest convenience, as the College will reopen on the 14th January 1901. I

am clearly of opinion that the acting arrangements should be made without importing an outsider if no one of superior qualifications to those of Mr T R Ramanadha Aiyar can be brought in for a temporary period. Mr Weir taught both English and Mathematics. It will be quite possible to arrange for the work of all classes without any detriment to the interests of the College by appointing Mr M Krishnaiengar BA, Head Master of the Channapatna High School who is good in both English and Mathematics as an additional Assistant Master of the College during Mr Weir's absence on leave. The English work of the College classes if Mr Krishnaiengar is appointed as an additional Assistant will be shared between Mr A E Adolphus B.A, Mr B Basappa BA and Mr M Krishnaiengar B A Similarly the Mathematical work of the College classes will be shared between Mr S Kasturi Iyengar M A, Mr H R Krishna Murti B A, and Mr M. Krishnaiengar B A Under these circumstances I recommend that Mr M Krishna Iyengar B A may be appointed to act as an Assistant Master Maharaja's College during Mr Weir's absence on leave.

2. I am not in favour of calling Mr S Kasturi Iyengar M. A, Acting Professor of Mathematics as there is no special appointment of that name Each of the teachers named above will do higher work for a

time, than they have hitherto done I shall therefore be glad if Government are pleased to sanction monthly allowances as follow during Mr Weir's absence on leave from the date of the reopening of the College in January

2 With regard to the observations of the Inspr. FILE NO 637/1901

From H J BHABHA Esq,

Inspector General of Education in Mysore

To

The Secretary to the Government of Mysore
General and Revenue Departments

SIR,

I have the honour to submit the enclosed matter for orders — The original has been kept on for reference & some other paper

In continuation of my letter no 3580/243 dated 24th December 1900, I have the honour to inform you that the officiating Principal of the Maharaja College on making the time tables for the present term found it necessary to give some higher History work which he was doing himself to Mr N Subbarao BA assistant master, and to take instead for himself some of the English Work in the BA and FA classes Under these circumstances he recommends an acting allowance of Rs 30 for Mr N Subbarao during the absence of Mr Wren I shall be glad if Government will be pleased to sanction the acting allowance

for Mr. SubbaRao in addition to those already sanctioned for other assistant masters

2 With reference to ~~Order~~ No. 8176-7 / Ed 279 dated 17th December 1900, the question of allowing a free house to Mr. Denham during the period of his officiating Principalship has not been disposed of. Without raising the question again, I would recommend that Mr. Denhams acting allowance may be fixed at Rs 150, which is the same amount as, I believe, was allowed to Mr. Tait when he acted lately for Mr. Cook as Principal of the Central College
